The projects identified in the Corporate Plan of NHAI for the 9th Plan Period include 4-laning of high traffic density corridors from Delhi-Calcutta, Calcutta-Chennai, Chennai-Mumbai and Mumbai-Delhi expressways construction of about 1000 Kms, about 50 ROBs, about 30 bypasses around congested towns and bridges over major rivers on various National Highways.

(c) and (d) The major policy components for Highway infrastructure Development through private sector participation (on Build Operate Transfer basis) has been put in place only recently and, therefore, the response from private investors is expected to pick up in near future. Projects worth Rs. 100 crores have been entered into and other projects of about Rs. 1000 crores are in the pipe line.

Construction of Shillong Bye-pass

1678. SHRI ONWARD L. NONGTDU: Will the Minister of SURFACE TRANSPORT be pleased to state:

(a) the exact date on which construction of the Shillong Bye-pass would start;

(b) whether Government are aware of the fact that the Guwahati Bye-pass (National Highway) is not usable by small cars; and

(c) if so, by when Government propose to get it repaired for the benefit of the general public?

THE MINISTER OF SURFACE TRANSPORT (SHRI T.G. VENKATRAMAN): (a) It is too early to indicate the date of start of construction of Shillong Bye-pass as the firm proposals for alignment of Bye-pass are awaited from Meghalaya Government.

(b) and (c) An amount of Rs. 17.03 crores for Maintenance and Repairs during 1997-98 had been allocated to Government of Assam. The State Government has been constantly impressed upon the necessity to keep the Guwahati Bypass and other National Highways in a traffic-worthy condition.
